No

If Yes, please provide the following details:

(a) Company / Name:

--

(b) Address and postcode:

--

(c) Telephone Number:

--

(d) Relevant qualifications and experience:

--

Has planning permission been obtained?

Yes

No

If No, please advise why this is not necessary:

Will there be any basement work?

Yes

No

Will there be any structural work?

Yes

No

If Yes, please provide full details:

Has a structural engineer been appointed to oversee the structural works? (including the design calculations and the execution of the structural works)

Yes

No

If Yes, please provide the following details:

(a) Company / Name:

(b) Address and postcode:

(c) Telephone Number:

(d) Relevant qualifications and experience:

Will there be any use of heat?

Yes

No

If Yes, please provide full details:

Will there be Hot Works permit system in place, which provides for a post works check of the work area?

Yes

No

Will the Contract Works be undertaken in line with The Joint Code of Practise on the Protection from Fire of Construction Sites and Buildings Undergoing Renovation, 9th Edition?

Yes

No

Do the Contract Works involve:

1] unusual or prototypical building methods?

Yes

No

2] basement extensions beyond the Existing Structure footprint?

Yes

No

3] work close to or over water?

Yes

No

4] piling adjacent to third party property?

Yes

No

5] structural demolition where there is an adjoining property?

Yes

No

6] vibro ground compaction / ground stabilisation?

Yes

No

7] dewatering?

Yes

No

8] excavation below 3 metres?

Yes

No

9] directional drilling or tunneling?

Yes

No

10] underpinning?

Yes

No

11] self-build? (e.g. construction undertaken by Proposer(1) or other non-construction individuals)

Yes

No

If Yes to any of 1] to 11], please provide the value of that aspect of the Contract Works, the area in which that aspect of Contract Works will occur, the methodology to be used, the entity undertaking that aspect of the Contract Works if different from Proposer(2), and their experience in undertaking that aspect of the Contract Works:

Work Aspect:

Value:

Area:

Methodology Used:

Entity Undertaking:

Entity Experience:

Will any original Existing Structure materials / items be reclaimed for incorporation into the Contract Works?

Yes

No

If Yes, please confirm:

(a) a full description of the reclaimed materials / items:

(b) their replacement values:

(c) where will they be stored before being incorporated into the Contract Works:

Will there be any direct materials / items purchases by Proposer(1) for supply 'free of charge' to Proposer(2) for incorporation into the Contract Works?

Yes

No

If Yes, please confirm:

(a) a full description of the direct materials / items purchases:

(b) their purchase values:

(c) where will they be stored before being incorporated into the Contract Works:

Are any party walls being worked upon or may be affected by the Contract Works?

Yes

No

Are the appropriate Party wall Agreements in place and signed by all appropriate parties?

Yes

No

If No, please describe why:

How often is it intended that Proposer(1) or a person acting on behalf of Proposer(1) visits the site?

Are any items of contractors plant to be hired in by Proposer(1) for the Contract Works?

Yes

No

If Yes, what any one accident limit is required?

If Yes, what are the anticipated hiring-in charges for the duration of the Period of Insurance?

If Yes, are the hire conditions / contract a Hire Association of Europe (HAE) conditions set / contract (or conditions / contract based of HAE and requiring replacement of damaged hire plant with a brand new item)?

Yes

No
